PHILIPS

Intimate area epilator and trimmer
Unique design for safe hair removal

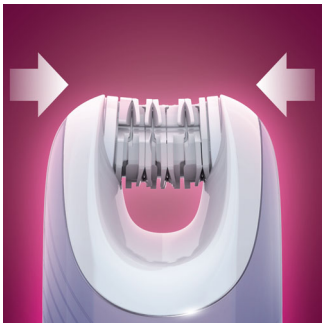
HP6567/30

Highlights

Ergonomically s-shaped body

The ergonomically s-shaped body makes it easy to handle and manoeuvre into all areas. The grip on the back ensures no slip when using in the shower or bath.

Access all areas



Uniquely designed small head enables you to confidently reach even your most intimate, female delicate areas.

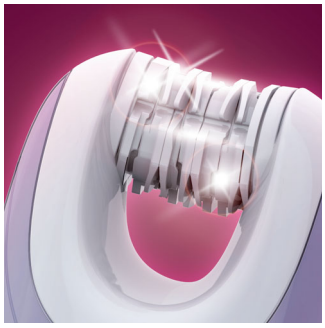
Protect delicate skin

Specially designed safety bar protects your delicate skin by preventing skin pinching.

Gentle on the skin

Ceramic textured discs are gentle on skin, perfect for use on your most intimate, delicate are, while still removing even the shortest hairs (0.5mm) for long-lasting smooth results.

Gentle tweezing discs



Gentle tweezing discs designed to remove hair without pulling skin, ensuring smooth epilation and soft skin, with no in-between days.

Better visibility and hygiene

The gap between the head and the s-shaped body is designed to promote visibility and hygiene. You will be able to better see what you are doing and prevent hairs getting caught in the device for easier cleaning.

Wet and dry

Use Philips Satin Intimate when and where you want, including in the shower or bath.

Cordless

Cordless so you can use when and where you want as well as reach every area easily.

Trim and shape to perfection

Precision trimmer so you can trim and shape to perfection the way you want.
